MEMORANDUM.

John Harvie, Esq.,
Director,
Ordinance, Admiralty & Public Lands Division.

Re N.W. 1/4 24-54-3-W.5th N.

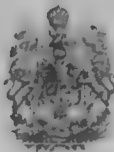

I beg to inform you that the fiat for patent for the above-mentioned quarter section is in course of preparation. An application that a note of reservation for a road be made in the records here against the above-mentioned quarter section was contained in the letter of the Director of Surveys, Edmonton, dated 25th June, 1927, which is on file 5140780 herewith.

The Director of Surveys was informed by the departmental letter of the 22nd July, 1927, that this quarter section was patented to J. Heikla on the 12th January, 1909. This information is erroneous.

Will you kindly request the Province of Alberta to forward here the plan of the new road affecting this quarter section within the usual time limit, also to forward here the abandonment of the old road in this quarter section.

The homesteader, Joseph A. Lacroix, of Alberta Beach, Alberta, should be advised also concerning the reason for the delay in the issue of his patent.

Re A.D.L. 84-14-2-1, 1th E.

Adverting to your letter of the 11th June, 1927, File No. 14330-1. I beg to inform you that Mr. Joseph E. Lacroix of Alberta Beach, Alberta, is entitled to a patent for his interest in the above mentioned land and to my trust, if the approved plan of the road affecting this quarter section is not received in the Department within thirty days from this date, it will be necessary to issue the patent without any reservation for the road.

Should you find that you will be unable to file the road plan within the time limit mentioned, will you kindly advise the Department of the fact immediately in order that there may be no undue delay in the issue of this patent.

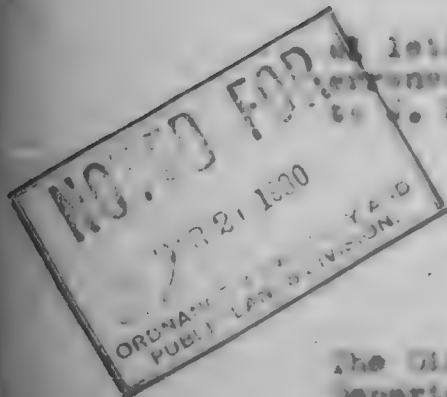

I may add that in the Department's letter of the 11th July, 1927, you were erroneously informed that this land was patented to J. Lacroix on the 11th January, 1909.

Memorandum.

Mr. Martin.

The homestead duties having been completed on the above mentioned land, the fiat for patent was issued, but it was found that an old trail crossed the quarter-section, which trail has, apparently, been replaced by a new road diversion as shown on Road Plan No. 37109.

The patent was held pending the receipt of an abandonment of the old trail, and in an endeavour to have patent issued before the transfer of the Natural Resources, the Agent of Dominion Lands at Edmonton, was requested by wire the 27th ultimo, to obtain this release from the Provincial Authorities.

A reply has been received, dated the 3rd instant, from the Director of Surveys for the Provincial Government, but the meaning is not clear and it does not appear that patent can now be issued by the Dominion. The matter will, of necessity, have to be referred for the consideration of the Provincial Authorities.

DOMINION LANDS ADMINISTRATION

13th February, 1929.

Memorandum

Mr. Perrin

N.S. 35-7-3-S.4th Meridian,
Soldier Grant - J.H. Hellowell.
Entry granted - 24th July, 1924.

Application to have patent for this
land vested in the Soldier Settlement
Board under the Order-in-Council of
the 4th June, 1921, (P.C. 1821).

This entrant has obtained advances from the
Soldier Settlement Board amounting to \$1849.55 for permanent
improvements and stock and equipment.

The entrant has applied for patent claiming
duties as shown on form 58A hereunder. Apparently the duties
have been performed in a satisfactory manner and the application
has been accepted, but in view of the above mentioned loan he
was advised that patent would not issue in his name until his
indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 23rd
ultimo, the Soldier Settlement Board reports the receipt of an
application from the entrant to have patent for this land issued
in favour of the Board. It is stated in the memorandum that the
request for title is not affected by the recent amendment to
Section 26 of the Soldier Settlement Act, as the advances were
approved and made to the settler subsequent to his having
obtained entry to the land in question. A Vesting Order for the
Minister's signature is attached.

It is stated in the Vesting Order that the
settler is residing on the land.

It is suggested that the necessary action be
taken to have patent for this land issue in the name of the
Board.

J. J. Lynch

TO WHICH IT MAY CONCERN:

WHEREAS J. H. Hellowell, a "settler" within the meaning of The Soldier Settlement Act, 1919, who holds under entry a parcel of Dominion Lands, namely, the N. W. $\frac{1}{4}$ 35-7-3 W. 4th Meridian on which a charge has been imposed, constituted, or created under the said Act, has complied with the conditions of his entry to entitle him to receive Letters Patent for the said land but for the charge imposed against it as aforesaid:

AND WHEREAS, pursuant to an application made by the said J. H. Hellowell, who is residing on the said land, the Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P. C. 1821.

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P. C. 1821, declares the right, title and interest of His Majesty in the said land, except mines and minerals, whether solid, liquid, or gaseous, to be vested in the Soldier Settlement Board of Canada.

Sir,

Replying to your letter of the 12th instant, respecting the S.E. $\frac{1}{4}$ of section 25, township 5., range 1 west Fifth meridian, I am directed to say that this land is not at the disposal of the Department, it having been patented on the 24th June, 1903, in the name of the Canadian Pacific Railway Company, and, if you wish to acquire it, it will be necessary for you to deal direct with that Company.

Your obedient servant,

Secretary.

Ferd Willie, Esq.,
Spruce Grove,
Alberta.

Personal.

Ottawa, 12th June, 1904.

Dear Mr. Oliver,-

I am in receipt of your letter of the 27th instant, enclosing a communication from Mr. Israel Umach, of Spruce Grove, asking that Mr. Fred Willie be allowed to homestead the S. E. $\frac{1}{4}$ of Section 20, Township 62, Range 1, West 4th Meridian.

In reply I beg to state that this land was patented to the Canadian Pacific Railway Company on June 24th, 1903, and has, therefore, passed from the control of the Department.

I might also add that the Township in which this land is situated, was surveyed in 1894, and as it appears from Mr. Umach's letter that Mr. Willie settled in that district in 1898, the latter could hardly have been upon this land before survey. It is possible, however, that Mr. Umach may not have given a correct description of the land and it might be

Received 19th August, 1904.

Memorandum:

With reference to Mr. Oliver's letter to the Minister of the 8th instant, respecting the claim of Mr. F. Willy to homestead entry for the S.E. 1/4 of section 18, Township 42, Range 1 West of the 8th Meridian, on which it is stated he squatted prior to survey, I beg to submit the following particulars in relation thereto before asking the U.S. Survey, as instructed, to relinquish the said quarter section which was patented to the Company on the 5th June, 1902, in order that homestead entry therefor may be granted to Mr. Willy, as this action would appear to be taken on the assumption that Mr. Willy squatted on the land long before it was surveyed where a matter of fact the quarter section in question is shown on the township plan dated 18th March, 1896, as surveyed, the area thereof being given on such plan as 16 acres, and Mr. Willy according to his statement did not go on the land until 1898. I observe, however, that Mr. Willy in his letter of the 29th ultimo, to Mr. Oliver, U.S.A., states that the sections surveyed, as shown on the said plan did not include any part of section 18 and that the remainder of the township was not surveyed until 1902.

Copy to Land Commission of the C.P.L. Co., Winnipeg.

Sir,

With reference to your letter of the 1st instant to the Minister, respecting the case of Mr. F. Willy who it is stated settled on the S.E. 1/4 of Section 36, Township 22, Range 1, West of the 5th Meridian before it was surveyed, I am directed to say that there would appear to be some discrepancy as to the date upon which Mr. Willy settled on this land. Mr. Willy in his letter addressed to the Minister in June last, stated that he had been living on this quarter section since July, 1929, while from Mr. Harold Smith's letter to you of the 26th inst., he would appear to have settled on the land in 1928, and it is also observed, that in your letter to the Minister you stated that Mr. Willy went on the land in 1928.

This quarter section was patented to the C.P.L. Company on the 11th June, 1930. As part of its land subsidy, and it is proposed, if it is shown that Mr. Willy settled on the land prior to survey, to ask the Company to relinquish it and take other land in lieu thereof, in order that Mr. Willy may be granted homestead entry therefor, but before any further action is taken in the matter, it will be

necessary for Mr. Willy to answer the several questions on the enclosed form of statement which is used in such cases and upon the same being returned here the matter will receive prompt attention.

I am also to call your attention to the fact that according to the first edition of the plan of the partial survey of township 54, Range 1, West of the 5th Meridian, the quarter section in question is shown thereon as surveyed, its area being given on such plan as 160 acres.

A copy of this letter is being sent to the Land Commissioner of the C. & N. Company, Minneapolis, for his information.

E. G. KELLEY

I hereto refer you to my memorandum of the 19th August last to Mr. Cory, respecting Mr. Oliver's request to the Minister that Mr. F. Willy's claim to homestead entry for the S.F. 2 of section 20, township 53, range 1, west 5th meridian, be recognized, and also to the Secretary's letter of the 12th of the same month to Mr. Frank Oliver, a copy of which was sent the Land Commissioner of the Canadian Pacific Railway Company.

We are now in receipt of a letter from Mr. Griffin, which I hereto submit for your perusal, in which he states that the land has been patented to the Company and there does not appear to be any good reason for relinquishing their claim thereto.

I am in receipt of yours of 23rd ult. reference 904-884, and in reply thereto would state that, as, according to Mr. Willie's statement enclosed therewith, he did not enter upon the S.E. $\frac{1}{4}$, 25-53-1, W. 5th till the Spring of 1899, and as surveys had been made in that neighborhood years before, from which he must have known that he was squatting upon an odd-numbered section, I can see no grounds why this Company should relinquish their claim to this quarter section.

Yours truly,

Sir,

In answer to the letter of the 17th of January last relative to Mr. Fred Willie's grandfather's claim to the S.W. 1/4 section 22, Township 22, Range 1 East Fifth Meridian, I am directed to inform you that Mr. Fred S. Griffin, Land Commissioner of the Canadian Pacific Railway Company, was advised of the representation made by Mr. Willie in the letter and requested to state if his Company could or willing to surrender the quarter section in question in lieu of other land.

I am further to advise that Mr. Griffin has now advised the Department that as Mr. Willie did not take up the land until the spring of 1889 and as the survey in the area concerned was made some years before, he must have been aware of the fact that he had acquired property of a quarter section and the survey of the same, see map attached, ^{that} would reflect the claim to the quarter section. I regret that a more favorable decision of the matter cannot be conveyed to you.

Sir;

*John Purra
I had expected*

I beg to acknowledge receipt of your letter of the 18th inst. I beg to say that the entry for the S. W. $\frac{1}{4}$ of 22-45-26 W. 4th was cancelled on the 15th of August, 1904, after the usual notice to you of sixty days, sent to Chesterwold, on an application of John Johnson, made in May, 1904. He signs the application with his mark so he possibly may have given the Sub-Agent the wrong description of the land he intended to cancel. In your application for patent I notice that your nearest neighbours corroborate your statements which show you to have performed sufficient duties to entitle you to a Crown grant.

Mr. Johnson probably intended to cancel the entry for the S. E. $\frac{1}{4}$ which still stands in the name of John Purra. I am sending him a copy of this letter and asking him to advise me if my supposition is correct, when further steps will be taken.

Your obedient servant,

Chas. Wirta, Esq.,

Dear Sir:

Re: J.S. Correll.

4-4-15-4.

Edmonton, Alberta.

The above party obtained the following Dominion advances
giving as security a lien on the title to the above parcel of land.

Dominion Advances:

Seed Grain 1938

Int. to Aug. 31/47

Payment

61.40

136.12

247.87

136.32

111.15

In 1910 the debtor gave a mortgage to the Credit Foncier Franco-Canadien on the above quarter as well as the 36-30-12-4 and in 1911 the company paid in behalf of Mr. Correll the sum of seventy dollars and thirty-five cents (\$70.35) which the debtor thought would clear the Dominion advances as he was apparently under the impression that interest will be calculated from November 1908 which was the registration date of the Dominion lien whereas the interest was actually calculated from 1906. He apparently became aware of the misunderstanding as further payments were made subsequently bringing the total paid on account to one hundred and thirty-six dollars and fifty-two cents (\$136.32).

The debtor is now deceased and the company in an endeavour to clear something for themselves have tendered the sum of fifty-seven dollars and twenty-nine cents (\$57.29) for release of the liens representing the principal amount now outstanding. The Company found it necessary to make Seed Grain advances themselves to the debtor in 1930 and 1932 and the total now owing under their mortgage is

cont.

Cont.

-2-

5-10-100

eight thousand, and sixty-nine dollars and eighty-eight cents (\$8,069.88) which they contended is considerably in excess of the land. This is borne out by the fact that the assessed value of the N. 3. 4-30-12-4 is one thousand, four hundred and forty dollars (\$1,440.00) and the valuation of the N. 32-30-12-4 will be very much the same.

It is doubtful whether the land could be disposed of even at today's inflated prices for an amount equal to the assessed value as same is situated within close proximity to the railroad tracks and in one of the arrier parts of the Province. The cash now tendered will bring the total payment to one hundred and ninety-three dollars and eighty-one cents (\$193.81) more than three times the original advances.

In view of the misunderstanding in 1911 at which time it was the intention to relieve the position of the company in full and the foregoing information it would seem that in fairness to the company the present offer should be accepted and I would recommend that the balance remaining representing interest only be written off and the lines discharged.

Yours very truly,

W. H. H. H.

Posting of Soldier Settlement Land.

Lethbridge, Alberta, 11th November 1919

Notice is hereby given that after the expiration of 10 clear days from the date thereof, that is, on and after the 22nd November 1919, the S.E. 1/4 of Section 32

Township 11 Range 1 West of the 4th Meridian.
will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

On the day last above mentioned the privilege of entry (either as an ordinary homestead or as a soldier grant) is restricted to a "settler," as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter-section under homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full at the foot of this notice.

On the succeeding day and thereafter (unless entered for or reserved for an adjoining settler, the land will be available for entry—

(a) as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty or of His Majesty's Allies (either in person or by proxy);

(b) by a "Settler" as defined by the Soldier Settlement Act as an ordinary homestead, provided such settler is eligible to make homestead entry;

(c) by a "Settler" as defined by the Soldier Settlement Act as a soldier grant.

Paragraph (c) of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:—

"Settler" means any person who has served in the naval or military expeditionary forces of Canada during the present War, or who was engaged in active service during the present War in the naval or military forces of the United Kingdom or of any of the self-governing British Dominions or Colonies, or who, being a British subject resident in Canada before the War has been engaged in active service at sea or on land in the naval or military forces of any of His Majesty's Allies in the present War, and who has left the forces with an honourable record, or who has been honourably discharged, and the widow of any such person who died on active service.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the local Agent (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be \$10. According to evidence on file in this office there are improvements upon the land stated to be worth \$

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead or a Soldier Grant, he shall declare what improvements, if any there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of his valuation of such improvements. In the event of uncertainty as to the correctness of the entrant's valuation or if the value of the improvements is placed at over \$25, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against this land \$. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amounts so as to make up the full amount of indebtedness.

M. Desmarais.

I visited this district to-day and upon inquiry learn that Moses Desmarais left here for the United States in July, 1915, to enlist there for overseas service. He has not since returned to this point.

J. A. Desmarais, the father, of the former, claimed he did not know anything about the indebtedness.

An older brother of Moses Desmarais stated he understood Murdock McLeod obtained the seed grain for his land, as his brothers land was under water.

Murdock McLeod left here in 1918 when he sold out, his land being 12 miles north of this town. His present address is at Blackheath, Ont., and he comes to Walsh every fall to collect from those who bought his farm and implements

A special letter should be sent to McLeod as he may have got the seed and did not pay Desmarais for it, though without seeing young Desmarais, one cannot be sure the grain was handed over as represented.

In any event a collection is impossible from the father.

Yours respectfully,

In reference to yours of November 26th, file No. 905819, regarding seed grain indebtedness against the above, I beg to say I instructed Mr. Wright of my office to visit the above man, and try and effect a settlement. He has now reported, and you will find attached copy of the same. You will note that the above man left the district in 1915 and has not returned.

I think it would be advisable for the Department to write Murdock McLeod at Blackheath, Ontario, regarding the indebtedness in this case.

DOMINION LANDS ADMINISTRATION

MEMORANDUM:

Mr. Perrin.

S.E. 1/4- 32- 11- 1- W. 4th M.,

The above described land was the cancelled entry of Mr. M. Desmarais, and the Timber & Grazing Lands Branch asked if the report of Inspector McCowan, of the 2nd instant, varies with a former report furnished on the 11th October 1923, and if in view of the nature of the latest report the land might be considered of a class that could be disposed of under the grazing regulations.

The report of Inspector of Dominion Lands Bowyer, of the 11th October 1923, does not give any information as the nature of the soil or the area fit for cultivation.

On the 20th October 1919, however, Inspector of Dominion Lands, J.R. Huntley, reported on this quarter section stating the nature of the soil as clay gumbo subsoil clay, and stated that all could be broken. In his General Remarks he states as follows:

"I beg to state that all of the above land could be broken but land is not suitable for farming on account of being an alkali flat, what most people call gumbo, if this land is ploughed when wet it will bake and make it impossible to cultivate, it is impossible to plough when dry, land most suitable for grazing."

Inspector of Dominion Lands McCowan reporting on the 2nd instant, states this land is practically all gumbo flats and not suitable for agriculture or stock homestead. There are no improvements.

In view of these reports I would suggest that the Timber and Grazing Lands Branch be advised that this land may be disposed of under the grazing regulations.

Re: Fr. SE $\frac{1}{4}$ 32-11-1-W. 4th Mer.
Your File No. 905819

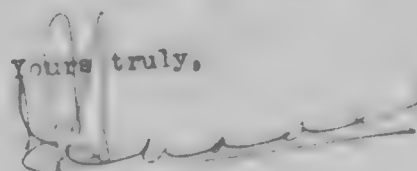

I am in receipt of your letter of the 30th ultimo, and in reply would advise that the above described land contains 147.79 acres of vacant School Land.

This land is situated outside of the settlement area, and it is unlikely that it will be used for farming purposes.

School Lands are not available for application, except for grazing purposes, and under the Cultivation Lease Regulations. They are not available for long term grazing lease. There has been little demand for this land. According to an Inspector's report, the soil on this quarter is very poor sticky clay, with very little grass on it.

School Lands may be offered for sale at public auction. There have been no requests to have this land listed for sale by public auction.

Re: Account of M. Desmarais
S.E. 32-11-1-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to \$149.78 were advanced to M. Desmarais on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$ 149.78	\$ 275.74	\$ 425.52

The S.E. 32-11-1-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 11th of November 1919, and is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 30th of April 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"I am in receipt of your letter of the 30th ultimo, and in reply would advise that the above described land contains 147.79 acres of vacant School Land.

This land is situated outside of the settlement area, and it is unlikely that it will be used for farming purposes.

School Lands may be offered for sale at public auction. There have been no requests to have this land listed for sale by public auction."

As the land no longer offers any security of value and is such that it is unlikely to be used again for farming purposes, it is recommended that the indebtedness be cancelled.

Dear Sir: I am writing in regard to my
homestead S.B. 2 of 7-14-20. As you
will see by the location I am located on the
Little Bow river. We live on the west side as there
is no road way on the east side on account of the
river breaks, and river on the road allowance.
And there is not enough land that can be broken
on the side we live to cover the requirements or so.
It is impracticable, inconvenient and quite
impossible to get machinery across the river to
farm - no good river crossing. The river is
always high in the spring. Is there any provision
whereby one could pick up with $\frac{1}{2}$ culture to
and $\frac{1}{2}$ flock or have enough stock and the kind of
up with my ^{or by} horses, 2 mares and colts
100 head cattle
Chickens, some ducks -

Am from a grain and land E. of 7-12-20. De-
cent of my homestead with intention of buying land
10 y. and plan have made two payments a
quarter is more adapted for stock than farming.
If in question about this matter why not send
inspector at any rate - with your earlier
venience and greatly oblige yours truly

Sir,

I have the honour to acknowledge the receipt of your letter dated the 8th of September 1915 your S. C. 49759 and in reply to say I visited the homestead of S. A. Baskin S. C. 4-9-14-20 west of here and find the above land to be very barren but up by the River the Homestead has broken approximately 20 acres on the west side of the River which is all the land on the west side of the River that is fit for farming on account of quombs and growing nature of the soil. The East side of the River is of no use to him for farming as it is far from the river by Coolies and he cannot cross the river only on horse back. Therefore in my opinion Mr Baskin should have his area of cultivation reduced and be allowed to substitute stock in lieu of the same. He has on the above 4 now 7 head of horses and 5 head of stock.

Memorandum;

Mr. Hume.

Re S.E. 1/4 - 9 - 14 - 20 - W. 4th.
Homestead of L. A. Balsley.
Entry granted 1st May, 1911.

Mr. Balsley made application to be permitted to substitute stock in lieu of cultivation, and a Homestead Inspector's report has been received, which shows that the entrant claims continuous residence from July 1911, to the 4th December, 1915, he has a house valued at \$75.00, stable \$60.00, 1 1/2 miles fencing \$90.00, 7 horses and 5 cattle, he has 20 acres broken which the Inspector values at \$80.00. The Inspector states that there are approximately 20 acres broken on the West side of the River which is all the land that can be broken on that side on account of high cut banks, stone and gravel and gumbo, the river runs corner ways through this quarter section and the road cannot be got to the applicant on the East side of the river, there are 20 acres on the East side which could be broken but would be of no use to the entrant for nothing but grazing land, as there is no way to get over only on horse back.

Please say whether in view of this report Mr. Balsley's application may be granted.

Entry- 1st May, 1911.

Application for patent in the above case was made on the 12nd June, 1917 but owing to the ~~contrary~~ ^{contrary} evidence therein, the application could not be accepted and he was requested to make a fresh application.

His present application for patent dated 27th March, 1918; also in the sworn declaration, he gives his residence as per form 58 A.

In his declaration he states that when he made application for patent before the Sub-Agent at Valen in July, 1917, he told the Sub-Agent he was residing on his purchased land and that the Sub-Agent replied to him that he would give him the homestead ~~and~~ straight residence. The entrant told the Sub-Agent he did not have the dates with him at the time he made application for patent in 1917, and made a mistake in saying November 1st, instead of October 1st.

If the present application for patent and his declarations are accepted he would have sufficient residence on his homestead and would therefore have the required cultivation performed namely thirty acres of breaking and 20 cropping with other improvements.

Please say in his application may be

accepted.

*Yes. If you will
report to H.I.

that breaking was
at \$8.00 per acre
residence on parcel
could be accepted

Sir,

S.E.† 9-14-20-W.4th M.

Referring to your application for patent for your homestead, the land above described, which is being held in the Department awaiting your Certificate of Naturalization as a British subject, I am to inform you that a communication has been received from the Department of the Secretary of State setting forth that your application for naturalization has been rejected owing to your insufficient residence, as prescribed by the Naturalization Act.

I am to say that when you have resided in Canada for the required time you should again make application for naturalization.

The residence required by the Naturalization Act is residence in Canada for not less than one year immediately preceding the application and previous residence either in Canada or in some other part of His Majesty's Dominions for a period of four years within the last eight years before the application.

When you are in a position to show that you have resided in Canada for one year since returning to this country from the United States of America, you should make a fresh application for naturalization.

Sir,

Re Lucius Adelbert Balsley,
Irricana, Alberta.

Mr. Balsley who is the holder of the homestead entry for the South East quarter of Section 9, Township 14, Range 20, West 4th Meridian, has reported to the Department that he applied for Naturalization as a British Subject and through an error in the evidence submitted with respect to the residence which he performed in Canada, he was refused naturalization on the grounds that his period of residence was insufficient to comply with the terms of the Naturalization Act. He further states that during the last twelve years he has been absent from Canada only about fifteen months, the first time his absence was of eight months' duration and on the second occasion his absence was of seven months' duration.

Kindly advise whether you have record of the receipt of Mr. Balsley's application for naturalization and whether he has complied with the naturalization conditions.

The application for Letters Patent which is on file here shows continuous residence in Canada from the 1st October, 1911, to the 27th March, 1918, the date on which he submitted evidence of the completion of the settlement duties.

OTTAWA. 25th September, 1924.

Memorandum:

Mr. Hume.

S.E.† 9-14-20-W. 4th M.
Homestead - L. A. Balsley.
Date of entry - 1st May, 1911.
Cancellation proceedings outstanding.

Mr. Balsley completed the settlement duties and made application for homestead patent on the 27th March, 1918. The application has not been submitted for approval because of the applicant's failure to furnish evidence that he is a British Subject.

Mr. Balsley made application for naturalization as a British Subject but failed to appear before the Court in accordance with instructions to him by the Deputy Clerk of the Court.

Proceedings were commenced against the entry because of the entrant's failure to complete his application for patent by submitting evidence that he is a British Subject on the 30th October, 1923. No defence has been filed.

The Inspector detailed to investigate reported on the 30th July, 1924, that he has been unable to ascertain Mr. Balsley's address. The improvements on the land consist of a house, value \$75.00, stable, value \$20.00 and two miles of fencing, value \$80.00. The thirty-five acres of breaking has reverted and is of no value. Mr. Balsley left the country over two years ago, neighbours do not think he will return.

Mr. Balsley is indebted to the Department for Seed Grain, etc. The amount of the indebtedness with interest to the 31st March, 1924, is \$457.45.

- In view -

- 2 -

In view of the Inspector's report as to the duration of Mr. Balsley's absence, it would appear that he has abandoned the land. I suggest the cancellation of the entry.

If the entry is cancelled, I assume the land should be posted for leasing for grazing purposes. See Inspector's report of the 4th December, 1915, marked.

Re: Account of L.A. Balsley
S.E. 9-14-20-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to \$316.35 were advanced to L.A. Balsley on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

<u>Principal</u>	<u>Interest</u>	<u>Total</u>
\$ 316.35	\$ 583.61	\$ 899.96

The S.E. 9-14-20-W4 was formerly the homestead entry of L.A. Balsley on which security he obtained advances of seed grain and fodder in 1915. His entry was cancelled on the 6th of November 1924.

In reply to our questionnaire of the 14th of January 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land which is covered at present by a long term grazing lease issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

TO:

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

MEMORANDUM:

MR. HUME.

N.W. 1/4 9 - 20 - 29 - W. 3rd M.

The above land is in Rancho 3735,
under a closed lease to Mr. A. K. Walker.

This lease will expire on the 1st
January, 1932.

Mr. Walker wishes to obtain this
quarter-section as a purchased homestead, and
in support of his application states as follows
in his two letters hereunder dated the 14th
ultimo:-

"In January, 1916, I called
upon the Minister of the Interior in regard
to securing as a homestead under a special
section of the Act, the N.W. 1/4 of 36 - 20 - 1
West of the 4th M. and also to secure as
a purchased homestead the N.W. 1/4 of 9 - 20
- 29, West of the 3rd M. Dr. Roche told me
that he thought I would be able to secure
both of these quarters but advised me to wait
until I had a title to the homestead before
applying for the purchased homestead.

"By a special order-in-council
I have been granted title to the N.W. 1/4 36
- 20 - 1 - W. 4th and I now wish to take up the
matter of the purchased homestead, and herewith
enclose my application for it. I think Dr.
Roche will remember the occasion of my call
as Mr. Hume, of the Dept. and Colonel Spencer
of Medicine Hat were present at the time."

"I herewith make application for
the N.W. 1/4 of Sec. 9 - 20 - 29 as a purchased
homestead for the following reasons.

"(a) I hold a grazing lease on this quarter
and therefore it is not land that any one
else can enter for.

(b)

- " (b) I purchased the N.E. $\frac{1}{4}$ of this section under the grazing act.
- " (c) I placed S.A. Scrip on the remaining half of the section.
- " (d) As the land is of a sandy nature I require the whole section to grow sufficient fodder for my stock in winter time.
- " (e) I hold a large grazing lease in the vicinity of this quarter but intercepted from the above mentioned quarter by the S. half of 16-20-29 which is held as a homestead by L. Burnett. Therefore, I am unable to fence this quarter with the remainder of my grazing lease.
- "P.S.- Plan showing the three quarters of Sec. 9, owned by A. K. Walker and the quarter in question held under lease and separated from remainder of lease by land held by E.E. Burnett and L. Burnett.-

Memorandum:-

Mr. Jones.

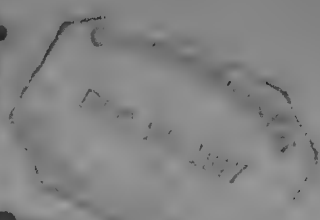

Please see the memorandum of the
20th June last marked.

On the 4th July a report was
made for in connection with the H.W. of Section 9,
Township 20, Range 29, West 3rd Meridian.

The report of Mr. Homestead Inspec-
tor Jones of the 10th ultimo is as follows:-

"As this $\frac{1}{2}$ is all good farming land
I would recommend that he be allowed
to purchase same."

2006400.
3231790.
254417.

27th December, 1927.

Memorandum:-

R.N. of 2-20-29, V. 3rd N.
Held under a closed lease by
A. K. Walker.

Mr. Walker wishes to have the above
quarter-section withdrawn from his lease and to
be permitted to acquire the land as a purchased
homestead.

I submitted this case for your considera-
tion on the 26th June last, and pointed out that the
practice had been to post land relinquished from a
grazing lease, but that Mr. Walker's request would
not seem an unreasonable one and suggested that a
report be obtained from a Homestead Inspector before
taking any final action. See memo. marked.

A report has now been obtained from Home-
stead Inspector Jones, setting out that the quarter-
section is suitable for agriculture, being all good
farming land.

You will remember that the Department had
some trouble with this case over his homestead, the
R.N. of 26-20-1, V. 4th N. owing to the fact that
Mr. Walker had not lived upon his homestead but on a
quarter-section he held under lease. It was finally
decided to sell the homestead to Mr. Walker at \$1.00
per acre in lieu of the completion of the ordinary
conditions. See memo. dated the 20th October, 1916,
file 3231790, marked.

As if the sale of the patented homestead is
not considered any bar to granting an entry for a
purchased homestead there would seem to be no
particular objection to withdrawing the quarter-
section in question from the operation of Mr.
Walker's lease and allowing him to acquire a
purchased homestead entry therefor on the usual
terms, but it should be fully understood that
the requirements of the purchased homestead provisions
if the act must be strictly completed.

Respectfully submitted,

J. E. Freeman, Esq.,
Commissioner of Dominion Lands,

Sir,-

I beg to acknowledge the receipt of your letter of the 7th ultimo, file 17028, enclosing the report of Mr. Homestead Inspector Jones, and in reply I am to say that there appears to be no particular objection to withdrawing the North West quarter of Section 9, Township 10, Range 20, East of the 3rd Meridian, from the operation of Mr. A. M. Walker's lease, and allowing him to secure a purchased homestead entry therefor, on the usual terms, but it is to be distinctly understood that the requirements of the purchased homestead provisions of the Act must be properly completed.

Be good enough to take the necessary action and notify Mr. Walker accordingly.

The Tax Consolidation Board, hereby recommends that the sum of \$960.00, be accepted in full settlement of all liens charged against the S.W. 1. 21-8-26-3. 4th Mer., and the S.W. 1. 30-8-26-3. 4th Mer., for advances made to the late J. A. White, by the Municipal District of Bright No. 69.

The Board submits in support of this recommendation:-

1. That title to the said land is still registered in the name of the estate of the late debtor, and is now being farmed by the late debtor's sons.
2. That the family of the late debtor has experienced considerable hardships in carrying on their farming operations, and are endeavouring to make satisfactory compromised settlements with the other creditors.
3. That the amount tendered represents slightly more than the original advances made to the debtor, and it is desirable that the proposed settlement be accepted upon compassionate grounds.

The Board therefore recommends that the sum of \$960.00, be accepted in full settlement of the said liens, that the amount so paid be ascertained:-

To said Grain	7076.60
To Joint Relief	62.40
Total	\$960.00

and that one-half the amount apportioned to Joint Relief be remitted to Ottawa, under the terms of the agreement now in effect.

The Board further recommends that with the payment of the said amount, the liens be discharged, and any balances remaining unpaid be written off as uncollectible, and the estate of the late debtor be released from any further liability under the personal covenant of this late debtor.

The Board also recommends that with the payment of the said amount, the Municipal District of Bright No. 69, be discharged from any further liability to the Province of Alberta, in connection with the said liens, and that the total amount payable thereon be written off as uncollectible, as the financial affairs of the debtor are such that it is not possible for the said Municipal District to make any further payments on account thereof.

In Re: File 906966.

Attention: Mr. J. Lorne Turner, Registrar of Lands.

Gentlemen:

Reference is made herein to Mr. Turner's letter of November 18, 1940, addressed to Allie Husted, Esq., Henry Nebraska, U.S.A. The reason for an inquiry to you was due to the fact that he has made application to become a citizen of the United States of America. We are taking it for granted that if his father, Mr. Arlie Husted, entered on the Northwest quarter of 20-14-25-W 4th Meridian on the 11th day of January, 1904, that he must have sometime previous to that date taken the oath of allegiance to the Crown. If you do not have the information as to the taking of the oath of allegiance in your files will you kindly advise us as to where this information may be obtained? If you can supply it it will be deeply appreciated.

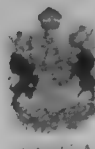

My interest in this case is because of the unusual circumstances surrounding it and for the further reason that the Examiner for the Department of Justice, Naturalization Branch, has requested Mr. Allie Husted to obtain definite information as to whether his father took the oath of allegiance to the Crown. Young Mr. Husted is handicapped in obtaining this information because of the fact that he does not know the present whereabouts of his father, and is of the belief that he is now deceased.

Thanking you in advance for your courtesy, I remain,
Respectfully,

(Sgd) C.G. Perry,
District Judge.

ADDRESS REPLY TO
LAND REGISTRY

Copy for

Chief,
Naturalization Branch
The Under Secretary of State,
Ottawa.

30th November, 1940.

Dear Sir:

In reply to your letter of the 13th of November, I may say that it was not necessary for an applicant for homestead entry in Canada to be a British subject. The applicant gave his nationality and signed an affidavit that he was over 18 years of age, but before entry for the land issued in his name, if he were of alien birth, he had to furnish proof that he had become a British subject, by forwarding his certificate of naturalization or a true copy.

Mr. Arlie Husted, who obtained homestead entry for the N.W. 1/4 20-14-25 N 4th Meridian on the 11th of January, 1904, stated that he was an American, from Montana, single, 22 years of age, and a farmer by occupation. He signed a declaration of abandonment on the 1st of October the same year, stating that the land had no water and was too far from town. Mr. Husted wrote the Department from Carmangay, Alberta, under date of the 6th of October, 1910, stating that he had lost his authority to re-enter, (which was given him when he abandoned his homestead), and he asked for a letter giving him permission to obtain another homestead. This was forwarded to him but he does not appear to have used it.

By a copy of this correspondence, I am asking the Under Secretary of State, Naturalization Branch, Ottawa, to advise you whether or not Mr. Arlie Husted became a naturalized British subject.

Yours very truly,

J. Lorne Turner,
Registrar of Lands.

Dear Sirs:

Anton Didyk.
Your Ref.-Mrs. Maria Didyk, File 17753.

I have your letter of the 4th instant, and in reply may say that according to our records Anton Didyk obtained homestead patent for the N.W. 36-53-16-W.4th Meridian and not the S.E. 14-54-15-W.4th Meridian, as mentioned at the head of your letter.

When making application for patent for his homestead on the 13th June, 1904, Mr. Didyk stated that he was 42 years of age, and that his family consisted of his wife and four children.

In support of his application he furnished a Certificate of Naturalization dated the 9th October, 1903, which document was returned to him at Krakow, Alberta, on the 7th September, 1904.

I regret to state that we have no record as to the age of Mrs. Maria Didyk.

Ans. I came out from England in April 1905. I had no money on my arrival - (except \$50) - I was a miner in England and the only work open to me here was labouring since here I have worked for ~~small~~ wages about two dollars a day, and the last winter I have been idle for 5 months owing to severe weather, consequently I have not been able to save much sufficient to start on the homestead properly. I bought a horse last summer for use on the homestead, the horse got hurt and is now so lame as not likely to be any use. I am now working and will in a few months be able to get on the land which would be much better for me than working as a labourer and not having regular work.

Grazing Lands.

According to the Homestead Inspector's reports none of these lands are fit for cultivation. He, however, classes them as good pasture. I would suggest that the Agent be instructed to post all of these lands, with the exception of the N.W. 32, for leasing only, and would also advise that with regard to the fractional parcels he may accept applications to purchase from the holders of adjoining lands, should there then be no reason to the contrary.

With reference to the N.W. 32 Timber and Grazing Lands branch has reported an application for a grazing lease, and I would suggest that Mr. York be advised that the same may be proceeded with.

It would appear that previous reports show that 40 acres and 32 acres have been for some time broken upon the N.E. 28 and the N.W. 32, respectively, but in both cases the other information would appear to corroborate the poor character of these lands.

A seed grain charge now amounting to over \$100.00 would appear to be noted against the N.E. 28 and the adjoining south east quarter of this section. There is nothing on file, however, to indicate any seed grain charge against any of the balance of the lands.
